## Rule 7.48 Insolvency (England and Wales) Rules 2016

### Report by the Official Receiver

#### THE INSOLVENCY ACT 1986

#### HIGH COURT OF JUSTICE

#### BUSINESS AND PROPERTY COURTS OF ENGLAND AND WALES

#### FURTHER REPORT BY THE OFFICIAL RECEIVER ON THE THOMAS COOK GROUP OF COMPANIES (IN LIQUIDATION)

On 23 September 2019, winding up orders were made against 26 companies (the "**Stage 1 Companies**") in the Thomas Cook Group (the "**Group**") on the petition of the Stage 1 Companies' directors presented on the same date.

The Official Receiver was appointed Liquidator by the Court. The Court also appointed Simon Jonathan Appell, Alastair Paul Beveridge, Daniel Christopher Imison and Benjamin James Browne of AlixPartners UK LLP (the "**AlixPartners Special Managers**") and Blair Carnegie Nimmo, James Robert Tucker, David John Pike, Michael Robert Pink and Ben Maitland Leith of Interpath Limited (formerly KPMG LLP) (the "**Interpath Advisory Special Managers**") as Special Managers, to assist the Official Receiver in managing the affairs, business and property of the Stage 1 Companies. On 29 May 2020, the appointment of Ben Maitland Leith ceased.

On 8 November 2019, winding up orders were made against a further 27 companies (the "**Stage 2 Companies**" and together with the Stage 1 Companies, the "**Companies**") in the Group and the Official Receiver was appointed Liquidator by the Court. No special managers were appointed in relation to the Stage 2 Companies but AlixPartners UK LLP was appointed as the Official Receiver's agent to assist the Official Receiver in carrying out his functions as liquidator of the Stage 2 Companies.

This report provides creditors and contributories with an update on the Companies. A list of the Companies in liquidation is provided in the schedule at the end of this document.

#### ASSETS AND PROSPECT OF A DISTRIBUTION

In respect of each company, an overview of the assets realised and an indication of whether or not there is likely to be a distribution, is included in the schedule below. This report provides an update to the previous Liquidator's Report dated April 2023 and the distribution prospects for some of the Companies has changed.

Any distribution made to creditors is dependent on the value of the assets realised, the costs of realisation and administration costs of the liquidation estates. Therefore, the information included in the schedule below is based on current information and is subject to change.

## **THOMAS COOK CLAIMS SITE**

The Official Receiver, AlixPartners Special Managers and Interpath Advisory Special Managers previously launched a secure online claims site that allows creditors to submit and view their claims. The Thomas Cook Claims Site is available at [www.ThomasCookUKLiquidations.com](http://www.ThomasCookUKLiquidations.com).

The Thomas Cook Claims Site contains useful information for creditors, including details about the claims process and how to use the site. Updates about the prospect of distributions being paid by the Companies will also be published on the site.

Creditors of Companies which may make a distribution to creditors or pay a dividend to contributories are requested to submit their claims for amounts owed to them to the Official Receiver and Liquidator using the Thomas Cook Claims Site.

Creditors who have already submitted a claim do not need to submit a new claim.

For creditors of Companies that are, as at the date of this report, only expected to pay a dividend to contributories, this may be the last chance to submit your claim.

## **TIMING OF DISTRIBUTION WITHIN DISTRIBUTING ENTITIES**

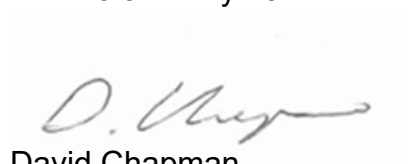

The Official Receiver is anticipating that a Notice of Intended Distribution is issued to creditors in the first half of 2024. However, this is subject to all matters in the liquidations being completed and so is subject to change.

## **Keeping you informed**

Further updates on the progress of the liquidation will be available on [GOV.UK](http://GOV.UK).

Further information about insolvency procedures is available on [GOV.UK](http://GOV.UK).

### Notes

1. 'None' indicates that the assets are not expected to result in any recoveries; 'n.a.' indicates that there were no assets to be realised
2. The table shows the current assessment regarding the prospect of distributions to creditors and/or contributories. This assessment is necessarily based on estimates of expected net realisations and of the amount owed to creditors. It is reasonable to expect there may be some change to each of these factors as the liquidations progress, and this could change the assessment of distribution prospects shown here. 'n.a.' indicates that there are no known creditors per the records of the company.
3. Following recent receipt of an unsecured creditor claim into the estates of Thomas Cook Services Limited and Thomas Cook Indian IP Limited, the distribution status of this entity has been updated and a distribution to contributories revised.
